

CANE BAY MIDDLE SCHOOL New Construction- Building Additions Project #1

This school was built to service ±900 students in grades 6 thru 8. The facility opened in 2012 and has not had any major additions to the original facilities.

Cane Bay Elementary and Nexton Elementary Schools are this school's feeder schools and it and Sangaree Middle School are Cane Bay High School's two feeder schools. **(291 Students are currently heading for Cane Bay High from this school this year)**

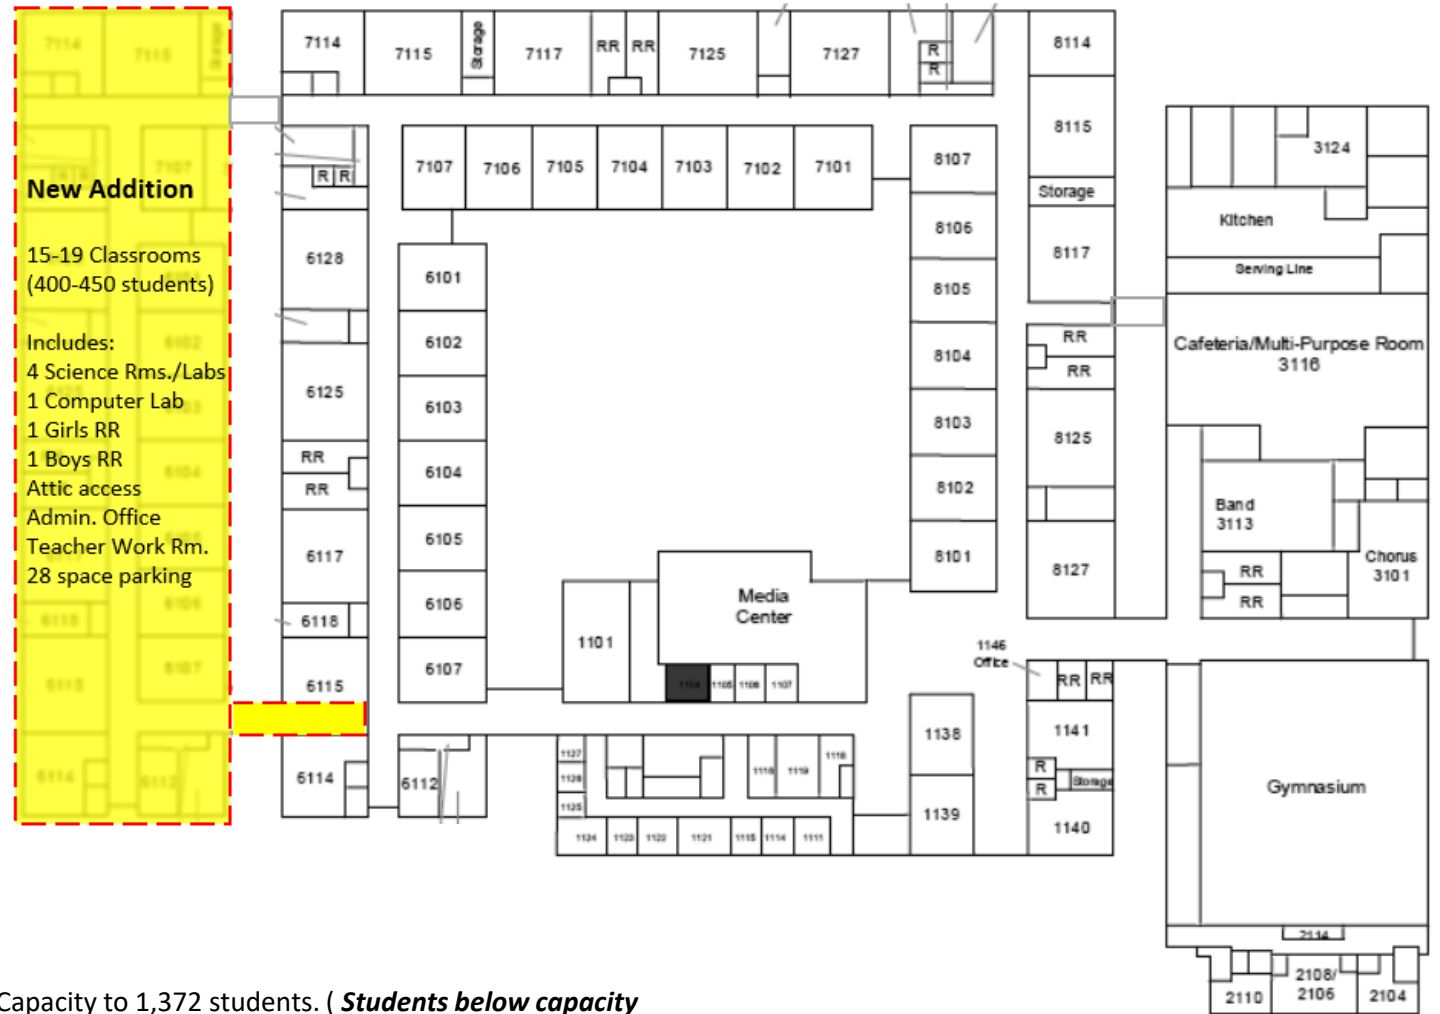

2018- 2019 FY/ Day 180 Average Enrollment: 1,203 Students
 Designed Maximum Enrollment Capacity: 897 Students

306 Students Above Capacity w/o Addition

Note:

Adding a new 19 classroom addition will increase this school's "Maximum Enrollment Capacity to 1,372 students. (**Students below capacity** based on the schools 2018-2019 FY enrollment).
